

Federal Communications Commission

Hearing Aid Compatibility Status Report (FCC Form 655)

Reporting Period: January 1, 2009 - December 31, 2009

Filing Confirmation Number: 0004091410

Filing Deadline: January 15, 2010

FRN: 0004372322

General Report Information

Type of Company

Service Provider

De Minimis Exception

Did you offer more than two handsets over any air interface to service providers (if you are a device manufacturer) or to subscribers (if you are a service provider) during this reporting period? Yes

Did you offer any handsets to service providers (if you are a device manufacturer) or to subscribers (if you are a service provider) during this reporting period?

Company Information

Company Name: United States Cellular Corporation
PO Box:
Street Address: 8410 West Bryn Mawr, Suite 700
City: Chicago
State: IL
Zip Code: 60631

Contact Name: Peter M. Connolly, Esq.
Contact Phone: (202) 955-3000
Contact Fax: (202) 955-5564
Contact Email: peter.connolly@hklaw.com

Filing Agent

Is this report being filed by an agent on behalf of a manufacturer or service provider? Yes

Agent Name: Holland & Knight LLP
PO Box:
Street Address: 2099 Pennsylvania Avenue, NW, Ste. 100
City: Washington
State: DC
Zip Code: 20006-6801

Contact Name: Peter M. Connolly, Esq.
Contact Phone: (202) 955-3000
Contact Fax: (202) 955-5564
Contact Email: peter.connolly@hklaw.com

Product Labeling

Do all hearing aid-compatible handsets include labeling? Yes

Explain:

Do all hearing aid-compatible handsets with the Wi-Fi air interface have clear and effective disclosure that the handset has not been tested for hearing aid compatibility with respect to its Wi-Fi voice operation? Yes

Explain:

Public Website

Does your company maintain a public website describing all hearing aid-compatible models, the ratings of those models, and an explanation of the rating system? Yes

Website address: http://www.uscc.com/usccellular/SilverStream/Pages/x_page.html?p=a_hearing

Explain:

Consumer Outreach

Describe consumer outreach efforts in the past 12 months: U.S. Cellular has a corporate website that lists all currently available wireless devices along with the applicable HAC ratings. The website contains a hyperlink to AccessWireless.org, a CTIA developed website that provides consumers with a greater understanding of the wireless industry and of those aspects of wireless technology which people with disabilities may find especially useful. U.S. Cellular device boxes are properly labeled with the relevant HAC ratings and device user's manuals generally contain HAC information. Furthermore, U.S. Cellular's sales and customer service associates are educated about HAC requirements and can address questions regarding HAC issues from hearing impaired customers.

Methodology for Functionality Levels

We strive to make the phone selection process for our customers with hearing aids as easy as possible. U.S. Cellular® categorizes phones into three different categories based on their levels of functionality: Featured Phones, BlackBerry® Smartphones, and Windows Mobile® Smartphones.

Featured Phones

Featured phones are those that are primarily used for voice calls. These phones also provide access to additional services such as U. S. Cellular's application download service, easyedgeSM. Please refer to the phone page to see specific features and services supported by each device in this category.

BlackBerry® Smartphones

These are voice and data-capable wireless devices (i.e. converged) that integrates voice calling, email access (corporate and personal), web browsing and PIM (calendar, contacts, tasks) all in one device.

Windows Mobile® Smartphones

These are voice and data-capable wireless devices (i.e. converged) that integrates voice calling, email access (corporate and personal), web browsing and PIM (calendar, contacts, tasks) all in one device. These devices use Microsoft's Windows Mobile® operating system.
